MEMBERSHIP BENEFITS

This year we want to create the opportunity for our members and business leaders to network and to show off their business as well. We thought it would be fun to have one local business a month to be a host for these networking events. That business can host in their own office or business space or can choose to host somewhere else locally. This will give opportunities for our leaders to network and meet once a month. If you would like to host a monthly mixer, please give your preferred 3 months and we will do the best we can to get you one of those. This will be first come, first served as there are only 12 opportunities a year.
